

Year 10 are now investigating  
"What was the most important  
cause of World War One?"

"History teaches us how to **avoid**  
wars by **understanding** their  
**causes**"

- Without understanding the history of our world, the world can be a confusing and frightening place.
  - The September 11<sup>th</sup> attacks almost led to **World War Three** – as Osama Bin Laden intended.
- This disaster was only avoided because world leaders used history to make sense of the tragedy.
  - History allowed them to see the big picture, and respond constructively.
